The Arab Society for Intellectual Property (ASIP)

The Arab Society for Intellectual Property (ASIP) headed by Dr. Talal Abu-Ghazaleh is a non-profit organization that was established on February 23, 1987 in Munich Germany, by some of the top practitioners in the many fields of intellectual property (IP) in the Arab region. Its mission is to bring together the IP professionals and practitioners in the Arab region and to help build awareness and understanding of intellectual property issues and their dynamics.
AMMAN - The Arab Society for Intellectual Property (ASIP) held the Arab Certified Intellectual Property Practitioner (ACIPP) exam for a group of participants in Amman - Jordan. The program comprises three modules:

1. Trademarks and Unfair Competition
2. Patents and Trade Secrets
3. Copyrights and Related Rights

Through a combination of teaching and training tools, which include real work experience, the ACIPP Program is designed to give participants a solid base and real understanding of IP principles, tools, and their applications. The Program focuses on the three main IP disciplines with an option for advanced learning of other selected IP subjects, as well as practical legal and business skills and systems.
Specialized in AI and cybersecurity defense technology

‘Abu-Ghazaleh Global’, a Strategic Partner in ‘2021 AIDTSEC’ Exhibition and Conference

AMMAN - The Special Operations Forces Exhibition (SOFEX Jordan) is organizing the first Artificial Intelligence Defense Technology and Cybersecurity Exhibition and Conference (AIDTSEC) to be held in Jordan, and the region, on the 27th and the 28th of October, 2021 at King Hussein Bin Talal Convention Center at the Dead Sea.

The Exhibition and Conference, which takes place biennially, was established to become the most significant AI conference in the region with the aim of bringing together the AI leading experts in Defense Technologies and Cybersecurity.

Talal Abu-Ghazaleh Global (TAG.Global) supports AIDTSEC as a Strategic Success Partner in organizing and marketing. Accordingly, TAG.Global will be marketing the Exhibition and Conference by inviting entities and individuals to participate and visit through its more than 100 offices worldwide, as well as by encouraging its partners and clients to take part in this significant event.

During the two-day event, state-of-art technologies in AI and robotics engineering
fields will be displayed to help find vital solutions for day-to-day operations in the defense industry, digital transformation, infrastructure, big data, data analysis, cybersecurity, information privacy and other important topics related to artificial intelligence.

It should be noted that Talal Abu-Ghazaleh for Technology (TAGTech), a member of TAG.Global that is specialized in manufacturing and producing smart devices including laptops, tablets and smartphones, will have a booth at the AIDTSEC exhibition to display its latest technological devices designed and manufactured by its experts, reaching so far up to 15 devices in more than 50 locations worldwide.

AIDTSEC is a two-day engaging conference and exhibition that aims to become a platform for lead experts, innovators and startups in AI Defense Technology and Cybersecurity to exchange expertise, strategies and knowledge in the AI world. In addition, more than 500 participants are expected to take part from international investors, decision-makers and military officials as well as more than 65 official delegates from 34 countries.

To register in AIDTSEC exhibition and conference, please visit the website: www.aidtsecjordan.com
Abu-Ghazaleh Honored as One of Best Community Leaders; Named World Leader of Knowledge

DUBAI, United Arab Emirates – HE Dr. Talal Abu-Ghazaleh, founder and chairman of Talal Abu-Ghazaleh Global (TAG. Global), has been honored by the Arab European Center for Human Rights and International Law (AECHRIL) as the “World Leader of Knowledge” and “Father of Knowledge”, placing him among the best community leaders of 2021.

This honor came as a signal of appreciation for the keynote speech HE Dr. Abu-Ghazaleh delivered at the Center’s annual conference, titled: “Knowledge Industry and its Role and Impact in Supporting Coexistence, Social Peace and Justice”, as well as for Dr. Abu-Ghazaleh’s efforts in promoting knowledge, tolerance and peaceful coexistence in the world.

The honoring was held at the Dusit Thani Hotel in Dubai -where the conference was held- in the presence of HE Dr. Essam Sharaf, former Egyptian prime minister, Lieutenant General HE Dhahi Khalfan Tamim, Deputy Chief of Police and General Security in Dubai, in addition to high-ranking personalities from the UAE and around the world at the International Conference of Community Leaders for tolerance and peace held by the AECHRIL and the Norwegian Refugee Council (NRC).

The participants at the one-day meeting discussed the philanthropic, social and charitable activities leaders of the UAE inherited from the country’s founder Sheikh Zayed bin Sultan Al Nahyan which became prominent symbols of tolerance, peace and coexistence in many countries around the world.

This important event was organized on the International Day of Peace, observed on September 21, as one of the occasions celebrated by the United Nations every year.
